

#### Directions to Sepulveda Basin Wildlife Reserve During Detour on Access Road

Take Burbank Boulevard to Woodley Avenue. Turn north. Travel around 0.4 miles on Woodley to the first possible right turn, a park road. The park road will end at a parking lot. Turn left and drive through the parking lot. Turn right onto the park access road ("Wildlife Way") and drive around 0.4 miles to the paved parking lot on the left at road's end.

Park in the lot and walk past the low, rock-faced buildings to our meeting place on the other side of the buildings.
